

THE HASHEMITE KINGDOM OF JORDAN
THE ARAB POTASH COMPANY PLC (APC)
POTASSIUM PHOSPHATE SALTS PLANT (30 KTPY)
PREQUALIFICATION OF INTERNATIONAL EPC
CONTRACTORS

Pre-qualification 062025/AN

The Arab Potash Company PLC (APC), hereinafter called the Owner, on behalf of its' subsidiary The Dead Sea Chemicals and Fertilizers Company (DSCF), intends to construct a plant producing Potassium Phosphate Salts, within APC facility, at Ghor Al-Safi, 130 km south of Amman. The construction to be carried out by an international qualified contractor, under the terms of EPC condition; Turnkey Project.

In principle, two raw materials are needed to produce the Potassium Phosphate Salts:

- Potassium Hydroxide (KOH) of 50 wt.% Concentration.
- Purified Phosphoric Acid (PPA) of 85 wt.% H₃PO₄.

The plant consists of the following area inside the battery limit:

- Tank farm
- Process Building
- Palletizing and product storage (capacity of 500 pallets)
- Cooling tower
- Operation Building with office, meeting room, lockers, transformer and MCC room, production lab, maintenance workshop, DCS control room...

The main process area is composed of:

- Raw Material Storage
- Crystallization Unit
- Separation and Drying
- Potassium Phosphate Salt solution management
- Product Conditioning
- Steam Distribution
- Cooling Distribution.

The plant comprises around 75 equipment and 17 P&ID.

The total area of the plant inside the fence is around 8800 m² where process building is around 500 m² with a maximum height of 25m, the tank farm around 650 m², the palletizing and storage building around 1200 m² with a maximum height of 17 m and the operation building around 500 m² with a height of 10m.

The plant will be designed to produce the products at the quality with an on- stream factor of 280 days per annum.

A byproduct of liquid stream will be produced called Mother Liquor with an estimated quantity of 2350 ton annually.

The utilities, supplied at battery limit, are:

- Water
- Steam
- Electricity
- Air

Prequalification is open for International EPC contractors that can fulfil the requirements of the prequalification. The prequalification document can be sent to those interested contractors.

Submission of applications shall be delivered by hand or courier at:

The Arab Potash Company site, Safi Site /Tenders Section

Tel: +962 6 5200520

Not later than 14:00 Noon Jordan local time on Thursday, August 14,2025

A CD containing the application shall be sent along with the prequalification hard document.

Alternatively, the participants are allowed to send the documents through emails or reliable documents transferring tools, however, this will be subjected to receive an acknowledgment reply by APC of receiving the documents. The acknowledgement will be issued within one working day, otherwise the participants shall contact APC for confirming the receipt.

Applicants will be advised in due course of the results of their application. Only prequalified applicants under this procedure will be invited to tender.

Interested eligible contractors may obtain further details and information from:

The Arab Potash Company,
P.O. Box: 1470 Amman-11118, Jordan
Tel. No.: +962 6 5200520

2.2 All the information requested for prequalification shall be answered in English by applicants and joint ventures. Where information is provided in another language this shall be accompanied by a translation of its pertinent parts into English. The translation into English will govern and will be used for interpreting the information.

2.3 Failure to provide information which is essential to evaluate the Applicant's qualifications, or to provide timely clarification or substantiation of the information supplied may result in disqualification of the Applicant.

3. Qualification criteria

Prequalification will be based on meeting a minimum set score on technical, financial position, general experience, personnel capabilities, and litigation history as demonstrated by the Applicant's responses in the forms attached to the Letter of Application.

The technical weight will be 20%, the financial position weight will be 25%, the general experience weight will be 30 %, the personnel capabilities weight will be 25%, and three (3) points will be deducted from the final score for each litigation case. Applicants with weak

financial position (having financial status in stress zone) will be disqualified and no further evaluation will be conducted.

The Employer reserves the right to waive minor deviations if they do not materially affect the capability of an applicant to perform the contract.

Subcontractors' experience and resources will not be taken into account in determining the Applicant's compliance with the qualifying criteria, unless the subcontracted work contents exceed 10% of the value of the whole works, in which case the subcontractor should provide the following information: percentage of subcontracted works performed, experience pertinent to the nature of works to be executed, personnel and equipment capabilities.

3.1 Technical

3.1.1 In case of single Application

The Applicant should have completed in last 10 (ten) years reckoned from bid due date, at least two similar projects involving, design, procurement, construction, installation of similar equipment, commissioning, testing of similar plants in addition to a construction Management.

The Applicant shall have management system registered to ISO 9001, ISO 14001 and OHSAS 18001. A copy of the certificate shall be provided.

3.1.2 In case of JV Application

3.1.2.1

Application from Joint Venture comprising maximum two members (one leader one member) is also acceptable, provided the leader of such JV meets the qualification criteria as defined at clause 3. The member can be of local first-class general contractor.

The division of the scope between the JV members shall be commensurate with their past experience. The overall project management shall be performed by the leader. The members of the JV shall assume responsibility jointly and severally and shall submit Agreement/MOU along with the application clearly defining the scope and responsibility of each member along with nomination of the leader. This agreement/MOU must remain in force at least till the pendency of this contract.

The period of ten years shall be reckoned from the due date for submission.

3.2 Financial

3.2.1 In case of single Application

3.2.1.1

The minimum annual turnover of the Applicant as per their audited financial results during any one of the last five financial years, i.e., 2023-24, 2022-23. & 2021-22, 2020-21 and 2019-20. the total turnover of last five year shall not be less than USD 120 million.

3.2.1.2 Net worth

The financial Net Worth of the Applicant in the last financial year, ending December 2024 shall be positive.

3.2.1.3 Return on Equity

Return on equity of the Applicant in the last financial year, ending December 2024 shall be positive.

3.2.1.4 Working Capital

The Applicant should meet the requirement of the minimum Working Capital in the last financial year, i.e. year ending December 2024 which is USD 10 million. If the Applicant's working capital is inadequate, the Applicant shall supplement the shortfall with a letter issued by his banker having a net worth not less than USD 10 million, confirming the availability of line of credit to meet the specified working capital

3.2.2 In case of JV Application

3.2.2.1

The Leader of the JV shall meet the minimum annual turnover criteria for single Applicant as per clause 3.2.1.

The minimum annual turnover achieved by the other member of Consortium as per their audited financial results during any one of the last five financial years mentioned above. The total turnover shall not be less than USD 25 million.

3.2.2.2 Net worth

The financial Net Worth of the Applicant in the last financial year, i.e. 2023-24 or year ending December 2013 shall be positive.

3.2.2.3 Return on Equity

Return on equity of the Applicant in the last financial year, i.e. 2023-24 or year ending December 2024 shall be positive.

3.2.2.4 Working Capital

Ditto as sub clause 3.2.1.4 but with a working capital of 5 million for the 2nd member

3.3 General Experience evidence

The Applicant shall furnish documentary evidence stated as per Application Form (5), by way of copies of work order, completion certificates, equipment deployment details and balance sheet of audited Financial Statements including Profit and loss account etc. along with the Application form to establish his experience and track record meeting qualification criteria. The international Applicant, all the supporting documents pertaining to qualification criteria submitted as evidence shall be certified true copies duly signed, dated and stamped by any officer authorized for this purpose in Jordan Embassy / High Commission in Applicants country.

The Contractor shall also provide the amount of each executed project, of similar nature and volume, over the last ten (10) years in Application Form (3A).

3.3.1 The Applicant must state and describe on separate sheets the specific experience in carrying out construction of project of similar nature and magnitude that he has completed in the last ten (10) years.

Information shall include:

- Name of Project
- Name of Owner
- Brief description of project and project location
- Value of project (and value of works performed by Applicant)
- Dates of construction and completion

3.4 Personnel Capabilities

The Applicant must state as per Application Form (5), the names, experience and qualifications of the executive directors and the key personnel whom he proposes to employ for carrying the EPC CONTRACT scope of Works under the contract works for the PROJECT.

Alternatively, the Curricula Vitae should be attached and should contain as a minimum the information required in Application Form 5(A). Technical and administration staff must be stated as per Application Form 5(B).

3.5 Litigation History:

The Applicant should provide accurate information on any litigation or arbitration resulting from contracts completed or under execution by him over the last five (5) years. A consistent history of awards against the Applicant or any partner of a joint venture may result in failure of the application.

4. Joint Ventures

4.1 Joint ventures must comply with the following requirements:

- (a) Following are the minimum qualification requirements:
 - (i) The lead partner shall meet not less than sixty (60) percent of all the qualifying criteria given in Sections 3.3 (General Experience) and 3.2 (Financial Position) above.
 - (ii) The other partner shall meet not less than forty (40) percent of all the qualifying criteria given in Sections 3.3 (General Experience) and 3.2 (Financial Position) above.
 - (iii) The joint venture must satisfy collectively the criteria of Sections 3.4 (Personnel Capabilities), and 3.1 (Technical), for which purpose the relevant figures for each of the partners shall be added together to arrive at the joint venture's total capacity. Individual members must each satisfy the requirements of Section 3.5 and 3.5 (Litigation History) above.
- (b) The formation of a joint venture after prequalification, and any change in a prequalified joint venture, will be subject to the written approval of the Owner prior to the deadline for submission of Tenders. Such approval may be denied if (i) partners withdraw from a joint venture and the remaining partners do not meet the qualifying requirements; (ii) the new partners to a joint venture are not qualified, individually or as another joint venture; or (iii) in the opinion of the Employer, a substantial reduction in competition may result.
- (c) Any Tender shall be signed so as to legally bind all partners, jointly and severally, and any Tender shall be submitted with a copy of the joint venture agreement providing the joint and several liability with respect to the contract.
The lead partner shall be authorized to incur liabilities and receive instructions for and on behalf of any and all partners of the joint venture; this authorization shall be evidenced by submitting a power of attorney signed by legally authorized signatories of all the partners.

4.2 The prequalification of a joint venture does not necessarily prequalify any of its partners individually, or as a partner in any other joint venture or association. In case of dissolution of a joint venture, each one of the constituent contractors may prequalify individually, if they so wish, and if they meet all the prequalification requirements, subject to the written approval of the Owner.

5. Updating of Prequalification Information

5.1 Tenderers shall be required to update the financial information used for prequalification at the time of submitting their Tenders, to confirm their continued compliance with the qualification criteria and verification of the information provided. A Tender shall be rejected if the

Applicant's qualification thresholds are no longer met at the time of Tendering.

5.2 Applicants, and those subsequently prequalified or conditionally prequalified, shall inform the Owner of any material change in information that may affect their prequalification status. Applicants shall be required to update key prequalification information at the time of Tendering.

6. General

6.1 Only contractors and joint ventures that have been prequalified under this procedure will be invited to Tender. A qualified contractor or a member of a qualified joint venture may participate in only one Tender for the contract. If a contractor submits more than one Tender, singly or in joint venture, all Tenders including that party will be rejected. This rule will not apply in respect of Tenders which include specialist subcontractors who are used by more than one Tenderer.

6.2 The Owner reserves the right to:

- (a) amend the scope and value of any contract to be Tendered, in which event the contract will only be Tendered among those prequalified Tenderers who meet the requirements of the contract as amended.
- (b) reject or accept any application; and
- (c) cancel the prequalification process and reject all applications.

The Owner shall neither be liable for any such actions nor be under any obligation to inform the Applicant of the grounds for them.

6.3 Applicants will be advised in writing by fax, within 60 days of the date for submission of applications (Section 2.1 above), of the result of their application, and the names of the prequalified applicants, without assigning any reason for the Employer's decision.

Letter of Application

[Letterhead paper of the Applicant, or partner responsible for a joint venture, including full postal address, telephone, fax, cable and e-mail addresses]

Date:

To:

Sirs,

1. Being duly authorized to represent and act on behalf of (hereinafter "the Applicant") and having reviewed and fully understood all the prequalification information provided, the undersigned hereby apply to be prequalified by yourselves as a Tenderer for the following contract Package under the PROJECT (Tender No. APC/).
2. Attached to this letter please find copies of original documents defining¹
 - (a) the Applicant's legal status;
 - (b) the principal place of business; and
 - (c) the place of incorporation (for applicants who are corporations); or
the place of registration and the nationality of the owners [for applicants who are partnerships or individually owned contractors).
3. Your Agency and its authorized representatives are hereby authorized to conduct any inquiries or investigations to verify the statements, documents and information submitted in connection with this application, and to seek clarification from our bankers and employers regarding any financial and technical aspects. This Letter of Application will also serve as authorization to any individual or authorized representative of any institution referred to in the supporting information, to provide such information deemed necessary and requested by yourselves to verify statements and information provided in this application, or with regard to the resources, experience and competence of the Applicant.
4. Your Agency and its authorized representatives may contact without being limited to the following persons for further information²:

¹ For applications by joint ventures, and where applicable all the information requested in the prequalification documents is to be provided for the joint venture, if it already exists, and for each party to the joint venture separately. The lead partner should be clearly identified. Each partner in the joint venture shall sign the letter.

² Applications by joint ventures should provide on a separate sheet equivalent information for each party to the application.
